## B. Annual Review

7.6. The grant of accreditation by NBEMS to a department for Diploma course is purely provisional and is governed by the terms and conditions as stated in the accreditation agreement and compliance to the same as verified in Annual Review of the department.

7.7. NBEMS shall undertake an Annual Review of the accredited department in the 2nd, 3rd & 4th year of the accreditation cycle, to ensure that the hospital is complying with the terms & conditions of the accreditation agreement and is fulfilling the minimum NBEMS accreditation criteria.

7.8. The accredited NBEMS Diploma seat of a department may be excluded from the counseling seat matrix if the hospital fails to successfully complete the Annual Review of the concerned diploma specialty.

7.9. *Submission of Additional Information/Compliance other than annual review:* In addition to annual review, any information related to accreditation shall be furnished by the accredited hospital whenever sought by the NBEMS or if there are changes in the faculty or infrastructure of the accredited hospital pursuant to the grant of accreditation.

## C. Applying for Renewal of Accreditation

7.10. The hospital is required to apply for further renewal of accreditation along with prescribed accreditation fee in the year of expiry of provisional accreditation as per calendar of accreditation applicable then. *For instance, if the NBEMS Accreditation to a hospital for Post MBBS Diploma Course is valid upto December 2025, then the hospital is required to apply for renewal of accreditation in January/February 2025 accreditation application session i.e. around 9-10 months prior to expiry of the ongoing accreditation.*

7.11. In case the renewal application is not submitted in the time frame stipulated, the application for renewal of accreditation will be treated as an application for

**7.12.** The Online Accreditation Application Portal will indicate the year in which the renewal application for a particular department needs to be submitted to NBEMS.

#### D. Withdrawal of Accreditation

**7.13.** The accreditation granted to the department is purely provisional and is at the discretion of the NBEMS. It may be withdrawn, if at any time, it is found that, the hospital is not complying with the accreditation norms, not maintaining minimum required faculty, training facilities & infrastructure etc., as per the minimum accreditation criteria prescribed by NBEMS, or if the hospital is found not complying with any of the guidelines issued by NBEMS from time to time or the hospital has violated any of the terms and conditions as contained in this agreement.

**7.14.** If any stage it comes to the notice of NBEMS that the accredited department has resorted to submission of false information or fabricated records for the purpose of seeking accreditation, this may lead to withdrawal of accreditation and debarment from seeking accreditation in future as well.

**7.15.** In an unlikely event of an ineligible department being granted accreditation, NBEMS reserves its absolute right to revoke the accreditation so granted to the department.

**7.16.** NBEMS reserves its absolute right to take appropriate action including but not limited to withdrawal of provisional accreditation and debarment from seeking accreditation in future for a period of upto 5 years from the date of revocation and impose penalty as deemed fit by NBEMS against any institute for not adhering to guidelines / policies / directions and/or the terms of the instant provisional accreditation agreement or providing incorrect/false information in the Annual Review or withdrawal of seats from the seat matrix after the counseling process has started.
